Sandy sometimes refers to herself as a "professional cocksucker." Not because she gets rewarded for it, but because she is so good at it. When asked how many she has sucked, she hesitates for a moment and asks, "how many grains of sand at the beach."

# Sandy

We have never counted, but we think it's a few more more than one hundred.

A close-up photograph of a woman with dark hair and a silver hoop earring. She is lying on her stomach on a bed with a plaid blanket. Her head is turned to the right, looking directly at the camera with a slight smile. Her body is angled away from the viewer, showing her back and the side of her hip.

Sandy says she started counting some twenty years ago, but couldn't remember her first ten plus years of having sex. So guesstimating at one cock a week for – say, conservatively, thirty years – is, one thousand, carry the one, bring down the five, oh well, it's a lot of hard cock in her mouth. Check out Sandy's technique and cocksucking skills in her online video. Take it from us, she's good.

### *I was more than ready*

Konan had tried for three weeks to get me to meet him. We had met at an office party but I was married and not interested. At first I just deleted his messages: after all, anyone with the username 'long boy' was probably nothing but trouble. Then I started responding just for something to do and the exchanges were fun and a little hot.

I had just joined a dating site after a year and a half of being separated from my soon to be ex-husband and I thought I knew what I wanted. Believe me, this but it made me laugh so I thought what the hell. He was bold and had a confidence that made me curious. "What the hell." soon became my daily mantra until I agreed to meet him one morning to see if he could back up his bravado.

We met in the parking lot of the coffee shop around the corner at eight am, a safe place that early in the morning. I pulled in to the parking spot next to him as he was just getting off of his motorcycle. He was fully leathered as he walked

### *Eye-catching cover:*

I'm writing this quick note on my morning commuter train headed into Washington, D.C. Yesterday after work, I was walking to the station when I saw this month's issue of *50+* and Winnie caught my eye. Literally. Her eye contact with me was mesmerizing and it's almost like she told me to buy the issue, and I did. Don't misunderstand, I'm not a weirdo that sees pictures talking to him. I'm a middle-aged politician who lost his wife to a younger man. Now my sexual solace comes through magazines, videos and the web. And for me right now, there's nothing wrong with that. It's safe, clean, always available and I can cum with no regrets. Can't say that about my ex-wife. So thanks to you, I'm.... Ooops here's my stop. Gotta go...

– George B., Alexandria

toward my car. I will never forget the swagger and the tilt of his head as he was looking at me. I was immediately turned on and wet. He exuded raw male sexiness. Then he looked at me with those eyes. Eyes that I now know change with his mood. Eyes too blue to resist.

We chatted for all of fifteen minutes before we were making out in my SUV and he was holding my ass and my hand was on his jeans feeling his cock. So many things he had boasted and I had shot down, now only to think he was right in his audacity. I left there hoping for another meeting but not sure if it would happen. The next text he sent me was just as daring, "Do you want to be my slut?" it read. I never hesitated and agreed to meet the next morning for more than just a touch and grab session.

This time we agreed to meet at a new motel that opened near the freeway. I was the first to arrive so I had time to prepare. I was nervous, excited and terrified, but more than that I was turned on by just the thought of what was about to happen. I heard him pull

---

in, the distinct sound of his bike just added to my eagerness. I had thought long on what I would wear and opened the door to him in silky Victoria's Secret panties and a white tank top.

He looked me over, smiled, kissed me and began to undress. No need for small talk we were there for one purpose and that was the only concern we had. He laid me back on the bed and when his head went between my legs I thought I would explode. His mouth did wondrous things. It had been so long and I had thought I would never have that feeling again. He raised his head, lifted my legs to my shoulders and slid into me. That long, proud, beautiful cock was all that he had promised.

As he pounded my pussy I would like to say I thought about how I had no regrets, but there were no thoughts in my head other than "fuck me, please fuck me"! For the first time in more than a year, I came. It was intense and deep and powerful, my whole body shook and convulsed, and while it fulfilled the immediate need it also left me wanting more. I had so much time to make up for and I was ready to feel like this again and again.

I left that motel not know-

ing if the relationship would continue, if I was worthy of being his, but knowing he had me to use whenever he wanted. I was a phone call away. After a year, I can now say that I was indeed worthy and he has opened up so many doors and experiences for me. Divorce was a good thing.

– Cookie, Sacramento

#### Poolside poon

I was vacationing with my wife at one of those couple's resorts in the Caribbean. It was our third night there and we had just finished a late dinner. We went back to our room, which like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chairs. I was sitting on the balcony taking in the warm breeze when I noticed them. As

I watched, one got off her chair and went to the other who then seemed to welcome her by spreading her legs open. The first girl, knelt down and pulled her friend's bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this.

She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up to hard immediately. She lets go for a moment to pull down my jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few

minutes I hear one of them moaning as is she is coming and then I let a moan out loud as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

– Val, Annapolis

#### Truth or daring

I was at a party with a big group of friends and my wife, Jan. I'm a shy guy, but we ended up all playing a game of truth or dare – with one rule. The dares had to be done, no backing out. I didn't like the idea, but after an hour of doing funny and silly things, drinking games and stuff, things became a little more spicy.

First, the guys were dared to undress themselves to boxer shorts, which the ladies loved. I kept catching my wife staring at this other guy's cock bulge which was clearly large – extra large. Jan was dared to kiss one of the guys which I didn't like the idea of, but it was only a dare so I didn't really mind. But it went on for a good minute and I started to get annoyed – and jealous. Other girls were dared to have a feel of all our cocks, one dared to kiss them all.

Some of the guys started

to get hard and the guy with the extra large cock, started to poke out a bit as it got harder. Jan moved closer to him, much to my disliking.

As dares went on, my wife was dared to suck on of the guy's cock for 30 seconds. I argued against it but it hit deaf ears. So I'm sitting watching her suck another guy's cock in front of a group of friends. The worst dare came, when she was dared to get fucked for minute by this guy with the massive cock. I was upset as I watched her expose her boobs and pussy and then gently sit on this huge cock as all these guys were watching. They ended up fucking for five minutes instead of stopping at one.

I didn't think she would have ever gotten naked in front of others, and never mind cheating on me and get fucked while I watched. Then she was dared to get her asshole poked by me which I did with pleasure as I stroked my cock with the other hand. It felt odd with people watching and other guy's rubbing their cocks while they watch Jan expose her asshole for everyone to see – and then be poked.

So the dares ended and we argued a little, then went back to enjoying the par-

ty. I got really drunk and passed out in one of the bedrooms. I woke through the night so hung over, and heard some people downstairs still enjoying themselves. But I also heard people having sex next door, the moans and groans, and bangs. I started to jerk off a little. They were still fucking thirty minutes later so I went downstairs to see who was still up, but couldn't see Jan. I went back upstairs and gently pushed the door open to another bedroom to see her getting fucked in the ass by the guy with the huge cock.

Somehow she seemed to get the worst – or best – of the dares. Everyone else's were milder, but for some reason she was getting all these dirty dares. If we go to another party like this I

may have to find a chastity belt to put around her. Or maybe I'll leave her home and be just one of the guys.

– Loren, St. Louis

#### [More legs, please](#)

I've been a leg man my whole life. As a freshman in college I remember my first fascination with legs. By the time I was a senior I had fucked twenty coeds and loved all their forty legs. Now I'm in my fifties and gorgeous gams just drive me nuts. I barely think about boobs and pussies. It's all thighs, legs and toes.

I just love to suck toe. That's ten tiny delectable digits I can put in my mouth and work them with my tongue and suck on them as hard as I want because it rarely hurts the girl. The toes have

to be nicely manicured and if she has just been to the salon, I can still smell the toenail polish and that is an even bigger turn on.

Now, because of my "fetish" I have to be careful of who I try to sleep with. So, I tell all my potential partners right up front that I love toes and legs and you would be surprised how many are either into it or want to try it. Many of them say I'm the best lover they have ever had because I'm not all about their breasts and pussies.

Since I rarely fuck a girl anymore, I like to have my cock massaged and masturbated by their feet. There's nothing lovelier than to see ten toes down there stroking my rod. And many times she'll be willing to stick her toe in my asshole more so than her fingers or tongue, so I can get that extra little favor, too.

So don't judge me. Tell your readers that we leg men are out there and we're proud.

– Al, NY

It seems that the older I get, the hornier I get. And the more I want to try something new. Not the same old sex in the same old, tired positions. Even though there is very little new to do, it becomes new with a new partner or place. That's what I look forward to.

## Alura & Bre & Alexa

Maybe I'll try a couple of sweet, new honeys today. They look scrumptious, and I can't wait to taste something new.

I gotta tell you ladies out there that if you've never had two other ladies filling your sex life, believe me there's nothing like it. If I was still married and did this, I probably would leave my husband for good! But now I can enjoy what I do without remorse or hesitation.

**888-712-1661**

Must be over 18.

My neighbor Alyssa, just turned twenty and confessed to me that she has never had sex with a woman.

In this day and age, that's hard to believe. So she asked if I could give her some pointers. She said she had given a few blow jobs and hand jobs, but the pussy was still a bit scary to her. I told her that sex is hard to describe. It's so much easier to show. So I got to show her, and you. Here's her first lesson.

Just like with a man, there is an ebb and flow to the sexual rendezvous. I give a little bit, then you give a little bit and we both take as the other gives. Your tongue feels nice on me as I know mine works its magic on you. You'll also find we women are more demanding at sex with each other. But that's lesson two!

War is hell, and love is heaven. I believe I'm doing my part for our soldiers when they return from their tour of duty. They put their lives on the line every day, so why don't we put our pussies out on the line for them? That's the way I like to think. I'm willing to help our servicemen in their time of need.

Like Jonny here. He's only been home for a week when we met and hooked up. Sex with him was so amazing because he says he's been holding it in for three months. Thanks Jonny.

A close-up photograph of a man and a woman in a bedroom. The man, on the left, is shirtless and wearing dark pants, leaning over the woman. The woman, on the right, is wearing a black latex outfit with a belt featuring a large silver buckle. She is looking back over her shoulder with a seductive expression. The background shows a bed with red and gold patterned bedding.

She's always had a fascination for guys in uniform. Raised an Army brat, Sasha's lived on different military bases throughout the years. Uniforms were the norm for her and so it was easy to associate them with sex. Plus, she had access to some of the horniest, testosterone-filled men on the planet. *If having sex with two others is called a threesome, and having sex with three others is called a foursome, then that must make you handsome.*

having a nice day

# a party for three ...plus one...

*SOMETIMES THE BEST TRIP IS THE SHORTEST ONE – TO DOWNTOWN*

Matt heard her footsteps coming up the driveway and then the doorbell rang. He opened the door and saw it was his wife's best friend Debbie. With a flick of her finger on his cheek, Debbie smiled as she walked into the house and right by him. Matt watched her firm butt disappear into the living room and out the patio doors. She could see Matt's wife, Jolie and another girlfriend, Corinne, through the glass door in their bikinis by the pool. She stopped in her tracks and looked back over her shoulder at Matt looking at her. She stopped at the door and pulled up her little sundress, exposing a teen-ager's figure barely covered by a red bikini. She threw the dress on the sofa, opened the patio doors and stepped out. Turning to close the door behind her, she took her time, all the while maintaining eye contact with Matt. He loved her flirting, but nothing ever became of it. What a god-damn tease it is to have three gorgeous women half naked sunning by the pool and all you can do is look. I guess that's not bad.

Matt could only look at them laughing and hugging as they strutted about. He noticed them bending over, flashing their tan bodies and flirting with each other. Matt stood at the patio door, knowing they could not see him and rubbed his crotch feeling his erection grow as he watched

the three ladies. He knew full well they were doing it deliberately. They'd been doing this sort of thing ever since they became best friends. Fucking bitches, he'd get his own though, one day. He watched Debbie settle into a lounge chair on her stomach and looked right at him standing there. He knew she couldn't see him because it was so much brighter outside, but he sensed she knew he was there. Her large boobs hung in their bikini sling as she was propped on her elbows. Looking up, she noticed Corinne come over and sit on the lounger's edge and began rubbing lotion on Debbie's back.

Corinne was just as much of a flirt, flaunting herself at him whenever they were alone. He didn't dare mention anything to Jolie for fear of the flirting stopping. He liked the attention and didn't want the ladies to stop coming over because of him. Eventually they got bored and went into the house. Corinne had turned forty a few weeks ago and they'd decided to rent a large suite in a posh downtown hotel. It would be the four of them. Matt and the three amigos. The following Saturday Matt and Jolie packed their weekenders and headed out for the hotel.

When they arrived, Corinne and Debbie were already in the suite. It had two bedrooms

*Jolie went to work licking, sucking and nibbling. She flicked her tongue on Debbie's clit and then worked a finger inside...*

with en-suite bathrooms, and a large lounge area with 60-inch flat screen TV. Both bedrooms had huge beds, one of which Corinne threw herself onto squealing with delight. After quickly unpacking, Jolie and the girls hit the shops at the hotel's mall. They spent the better part of the day there finally leaving giggling like schoolgirls. They eventually met with Matt for a late lunch at one of the hotel restaurants. Jolie planted a big kiss on his lips while the other two kissed his cheeks and

nibbling her nipples and making Debbie whimper. Matt shifted in his chair, re-arranging his trousers to give his growing erection some room. Jolie's stockings and garter belt framed her ass beautifully and it was Matt could do not to go and fuck her from behind. Debbie fell back onto the sofa and instantly spread her legs wide as Jolie moved down and placed her hands on the underneath of her thighs and licked pussy. Debbie squeezed her own boobs hard as Jolie went to work licking, sucking and nibbling. She flicked her tongue on Debbie's clit and then worked a finger inside and slowly finger-fucked her hole. Jolie stood and then straddled her in the 69 position. Debbie got busy straight away, licking Jolie's pussy and sliding a finger into her.

ruffled his hair. They all displayed plenty of cleavage and looked like something between hussies or Hamptonites. By the time they'd finished eating and drinking, all four were feeling quite happy.

The ride in the elevator was long and the walk down the hallway was short. Corinne unlocked the door and immediately went to her room and found the bathroom. The others walked gently over to the lounge area and found seats. Matt managed to find the music station and then a seat on the sofa. The remaining three girls danced seductively to the music, holding each other, gyrating and thrusting, jiggling and wiggling themselves at Matt. Jolie unzipped her best friend's dress and threw it on the chair. Jolie pulled her close and they kissed, exploring each other's mouths as their hands ran over each bodies. Stepping back, she slid out of her own dress and then stood in her new lingerie and high heels. Jolie led Debbie to the couch in front of Matt groped at her friend's full breasts and pulled down the lingerie.

Kissing her way down Debbie's body, she sucked them,

Not interested in being just a bystander any longer, Matt unzipped his fly and released it, slowly stroking and pulling on it. From between Debbie's legs he heard a muffled command from Jolie. "Baby, stick your finger in my ass." Matt licked his index finger and pushed it into her tight asshole. Her sphincter muscle resisted but she soon relaxed and he managed to push it in. As he pulled it out and pushed it back for the second time, he felt Jolie tremble. Debbie reached under their sweaty bodies and pushed a finger into Jolie's pussy and felt her grind backwards onto it. Her hand brushed Matt's and in unison their finger's fucked Jolie. Matt stood and removed his clothes, unable to take his eyes off the scene in front of him: the two ladies eating each other out. Moving closer to the sofa, he offered his cock to Jolie who turned from Debbie's wet pussy and opened her mouth to take it. He rocked his hips back and forth as he held her head, sliding his cock in and out of her mouth.

Matt reached down and pulled Jolie off of Debbie. Their lingerie was a mess but exposed luscious boobs and soaking pussies. He watched as the girls untangled themselves and he finished taking his clothes off. He plopped down on the sofa where they had been sucking and laid back with his eight-inch hard-on pointing up at the ceiling. Debbie finally slipped out of her lingerie and then stripped Jolie bare. Debbie crawled over to where Matt had propped himself up and grasped the base of his cock guiding him into her mouth. She sucked him in. Debbie watched Matt's dick disappear into Jolie's

mouth and down her throat. She buried her face into his groin and held herself there before withdrawing it, saliva spilling out of her mouth. She repeated the process before handing it back to Debbie who again took his dick into her small throat. Matt pulled the girls off and indicated that he wanted Debbie. She moved up, holding his cock, hovering her pussy above it as she straddled him. Matt reached round and grabbed her firm ass as his cock entered her dripping pussy. Slowly she sank down, inching him into her tight warm hole. Jolie knelt behind her kissing her neck and playing with her tits. Raising herself up again and then lowering herself Debbie gradually eased herself onto Matt's dick until she was sliding up and down the entire length of his shaft.

He watched as Jolie squeezed her best friend's boobs as she encouraged her to fuck him. He could see her nipples standing stiff and erect like bullets. Debbie started to grind herself backwards and forwards on his dick rubbing her clit and Matt knew this signified her approaching orgasm. Sure enough a moment later, Debbie stiffened and threw her head back closing her eyes. Jolie hugged her friend tightly as she convulsed and then, as her orgasm subsided let her flop down on him. Jolie then straddled him in reverse cowgirl position and took over, bouncing on the lucky man's prick. Debbie managed to squeeze herself between Matt and the back of the sofa, resting and watching.

Suddenly, the lights came on with a blinding fury. Corinne had entered the room to find a writhing mass of flesh on the sofa. She stopped when she realized what she was looking at. Jolie curled her finger and motioned Corinne to come over, but turn the lights off. She did and when she got to the sofa, Debbie got up and helped Corinne out of her clothes. Jolie went back to riding Matt's cock as Debbie started kissing Corinne. Jolie was in ecstasy as Matt fucked her again. She was on her side with Matt behind her, he had her leg pulled up and was pumping his dick in and out of her. Corinne pulled Debbie to the overstuffed chair across from the sofa. Debbie gently pushed Corinne down on the chair and dropped to her knees in front of Corinne's private altar. She reached forward and spread her pussy lips and dove right in. After several minutes, Corinne came as Debbie licked at her pussy. Already on all fours, Debbie looked back and wiggled her ass at Matt.

Jolie climbed off Matt's cock and took it in her hands and led him over to Debbie's ass. Corinne got off the chair and Debbie climbed on offering her butt to his approaching spear. He stood behind her and pushed his cock roughly into her pussy and started to fuck her hard. Matt felt that he wasn't far away from cumming and reached underneath to rub her clit which made Debbie thrash even more. Debbie moaned out loud

as she climaxed with Matt following right behind. He pulled out just in time to have Jolie take his cock into her mouth and swallow her horny husband's huge load.

Corinne took Debbie and Jolie's hands and pulled them back to her bedroom. She looked at Matt and told him he could watch if he wanted to. At this point, spent, that was fine with him. The three ladies dropped onto their sides on the bed and formed a fleshy triangle in the middle of the bed, and Matt sat at a corner. Pushing hair aside to get at each other's pussies, it was Corinne eating Debbie; Debbie sucking Jolie; and Jolie's head between Corinne's legs. Matt closed his eyes to listen to the sucking, slurping and moaning as they went at each other's pussies with great zest. He stroked his cock again to full length and quickly came. The ladies were so lost in their fleshy mounds that none were aware of Matt. A half hour later all three had come and collapsed on the bed.

Matt had retired to his bedroom and fell asleep and in the morning found that the three also slept in the same position they finished in the night before. Morning came early and they gathered their stuff and met in the lobby to wish Corinne a Happy Birthday. Driving home was a quiet drive as all were thinking about next time.

# Alice & Janet

First, let me say that I did not start out today trying to seduce Alice. She was the one that came on to me, and at first I questioned it, but I couldn't help myself. She's so sweet and convinced me that she was okay with playing around with me. How could I say no to such a delectable creature.

I can't wait to get her naked and go down on that pussy. I wonder if she's clean-shaven or has a bush?

What a tasty morsel Alice turned out to be. She proved quite uninhibited and willing to please and be pleased. She said she was looking for an apartment in my neighborhood. I hope she finds one.
